

Authorisation of Representative to Operate Bank Account

If you are in a situation where you need a representative to manage your bank account, you can now do so with us.

How does this work?

- For account holders who would like to select a representative to manage his/her individual bank account.
- The authorisation is meant for situations where the account holder is unable to perform banking transactions (critical health issues).
- This authorisation must be given at a time when the account holder is in good health with a sound mind without any external influence.
- The account holder must clearly state what are the transactions allowed by the representative in the application form.
- The third-party authorization is not applicable for joint account holders and if the account holder in a coma / unconscious condition or unsound mind.

What you need to do?

- Carefully decide on the right person to select as your authorised representative.
- Fill in the form from our website and visit the nearest MSBB Bank Branch.
