Takaful *myPA* Care Scheme

Date: 1 June 2018

### 1. What is this scheme about?

The scheme compensates the Person covered should he/she suffer bodily injury caused by violent, accidental, external and visible means.

### 2. What are the Shariah concepts applicable?

This scheme applies the Shariah concepts of Wakalah and Tabarru'.

Wakalah is a contract where the participant appoints the takaful operator to carry out transactions on behalf of the participant to invest and manage the contribution in the General Takaful Fund (hereinafter referred to as "GTF") in accordance with the Shariah. As a return, the participant allows the takaful operator to deduct a certain amount as a wakalah fee for the services rendered.

Contribution less wakalah fee will be credited to the GTF as Tabarru' (a.k.a. cost of insurance in conventional insurance).

Tabarru' means a donation for the purpose of which is not commercial and is used to help other participants in times of misfortune for the purposes of solidarity, brotherhood and cooperation among participants.

Any surplus arising from the GTF will be shared and allocated between the GTF and Syarikat Takaful Malaysia Am Berhad (the Company) in accordance with the proportions of:

- (a) 50% of the surplus will be allocated to the GTF, which will be declared and distributed to the eligible participants in the form of Cash Back; and
- (b) 50% of the surplus will be allocated to the Company.

The surplus arising from the GTF is not guaranteed and will be based on Our actual claims experience and will first be applied to settle any Qardh owing to Us.

The entitlement, declaration and amount of Cash Back shall be determined and distributed at the Company's sole and absolute discretion. Cash back (if any) will only be payable to the eligible participants provided no claims have been made and no benefits have been received during the current Period of Takaful.
